Accelerating Climate Targets: Is Every Job Becoming a Climate Job?

Ignitis Group, in collaboration with CDP Europe, Lithuanian Confederation of Industrialists, and Lithuanian Responsible Business Association, cordially invites you to join us for insightful discussions, keynotes, and networking as we explore these topics and more:

- Climate Targets and Corporate Competitiveness: How to Gain the Edge in a Sustainable World
- EU Sustainable Finance Regime and Overlaps with CDP
- The Role of Value Chains in Reaching Environmental Goals

[HERE](#) you will find the agenda and registration form.

We look forward to seeing you on **October 26th** for a meaningful exploration of the intersection of climate targets, upcoming regulation, and our everyday work.
